

Fruits in powdered form or fruit pulps dehydrated fruit

100% natural for daily consumption for those that search for a healthy lifestyle.

The powdered fruit maintains the characteristics of the fruit such as colour, aroma, taste and its nutritional properties such as vitamins and fibres.

Onix Fruit products remain natural, without added conservatives, flavourings and artificial colours.

Onix Fruit is also a good option for those that don't like to consume fruits in their original form and it's an excellent alternative for those that don't want to have vitamin and mineral deficiency.

Acai powder for aqueous edible preparation

To be consumed in the form of smoothies, juices, ice cream, cream or yogurt. Product obtained through the process of mixing acai, other fruit powders (natural and 100% pure) and other ingredients selected in powder. With the addition of water, it forms ready-to-use syrup on express ice cream machines, continuous and discontinuous machines to make (Sorbet) Acai Cream, in addition to the preparation of juices and the Acai in the bowl. This dehydrated pulp is perfect to be extended to cake recipes, breads, cereal bars and pasta or to leave a nice taste on main meals that are prepared at home.

In the industry of food and drinks, the powdered fruit serves as a base for juice, soda and energy drinks and so on... The Pharmacological and cosmetic industry also use this to substitute artificial ingredients.
