

Technology and Tradition

Ônix Grano commercializes quality speciality coffee that is authentically Brazilian. Our coffee comes with a certificate of origin and international certifications.

The beans are carefully selected to meet the high expectations of our national and international customers.

Speciality coffee that is authentically Brazilian

With tradition in planting and preparation of high quality coffees since 1896, the Cambraia family has its own farms and roasting plants in the region of Santo Antonio do Amparo, Southern Minas Gerais, Brazil. Cambraia prioritize advanced technology, certification and sustainability in the production to obtain consistent products of the highest quality.

Cambraia's blends of coffees are prepared with care and excellence, from planting, up until the final packaging. Made for those that demand authentic Brazilian coffee with an unmistakable scent and aroma.
